

SJC Activity Report

July 2022 - Sept 2023

What is Activity in Community?

- To pool resources and share skills, our activity in community emphasizes partnerships with shared goals.
- If an SJC member attends an event without a banner - is it SJC? No, but if it was promoted through newsletter/social media in advance, then yes!
- May not be comprehensive list. If I missed something, please let me know!
