Terms and Conditions

The Social Justice Co-operative (SJC) Activity Fund is open to all members, volunteers*, or groups (ex: board, committee, or action team) to apply to use for projects or events.

The purpose of the fund is to increase the impact and reach of SJC via support for member-led activities best fitting within scope of SJC priorities and capabilities, mission and vision.

Activities may include, but are not limited to, printing stickers, posters, or zines, honoraria, food expenses, event bookings or materials, marketing, etc.

The SJC is committed to anti-oppressive practices in all its activities, including the activity fund submissions and committee. We welcome applications from and will give preference to marginalized communities in our consideration of applications. Equity considerations are voluntary, but will only enhance your submission.

Priorities include:

- Climate Emergency
- Rural Activation
- Amplifying Labrador
- Intersectional Approach
- Building Partnerships

The SJC Small Activity Fund will be defined as a total pool of \$100 to be distributed every month and applications will be reviewed at each Monthly General Meeting (MGM). Projects that require over \$100 or funding before the deadline will be considered by the SJC Board on a case-by-case basis.

Applicants will be due on the Tuesday prior to the MGM. Applicants will be notified of the MGM decision by the first Monday after the MGM. Applicants can re-apply for additional funding every month.

Successful applicants will be asked to submit a short paragraph on how the activity fund supported their work within one month after the activity has been completed. This paragraph may be shared through SJC public communication channels.

*Applicants who are not members of the SJC require a member to sponsor the application. If you do not know any members, send us an email at socialjusticecoopnl@gmail.com and we will help find you a sponsor!
