

Climate Emergency Declaration: Petition to the House of Assembly of Newfoundland and Labrador

We, the undersigned residents of the Province of NL, bring the attention of the House of Assembly to the following:

THAT, WHEREAS

- According to the document “The Way Forward on Climate Change” the province is already experiencing the effects of climate change;
- NL joined the Pan-Canadian Framework on Clean Growth and Climate Change in 2016, but is not on track to meet its 2020 targets;
- Financial costs resulting from climate change will unequally impact municipalities due to responsibilities set out in the “Municipalities Act 1999”

THEREFORE, your petitioners call upon the House of Assembly to urge the government to:

- Declare a CLIMATE EMERGENCY
- Establish a task force on decreasing the effects of the climate crisis while building community resilience
- Consider climate in all policy & decision making

If tabled in the House of Assembly, this petition will be a document of the House of Assembly and the name and address of every person who signs it will be available to the public.
